Veterans Triangle Heise Park

Veteran's Paver Brick Finder

Veteran's names are listed in alphabetical order and has other information taken from the brick.

To find the Veteran's Brick:

Find the name and note which one of the five Branch of Service sides of the Monument under "Point behind" and the more "Specifically" Base, Mid and Tip as shown in the above diagram.

The Veterans Memorial Commission was unable to place the bricks behind the actual branch of service the veteran served in due to the large imbalance it would cause.
